Tuesday, June 7, 2022

The Town of Wyoming Board met at the Community Room of St. Peter's Church. Chairman Burt Brady called the meeting to order at 8:00 P.M.

THE PLEDGE OF ALLEGIENCE WAS RECITED

ROLL CALL: Chairman Burt Brady, Supervisor Margie Schmidt, and Supervisor Rich Mueller were present. Also present were Clerk, Brittany Jashinsky and Treasurer, Mary Miller. Residents in attendance were Jason Jashinsky, Amy Bazile, Shane Bazile, Cheyenne Bazile, Sarah Moericke, and William Moericke.

OPEN MEETING REQUIREMENTS WERE MET: By posting on the town website www.townwyoming.com, submitting to the Marion Advertiser and posting at the 3 public posting board.

AGENDA: M/S/C: Schmidt/Mueller to approve the agenda as presented.

MINUTES: M/S/C: Mueller/Schmidt to approve minutes for May 3, 2022 Regular Board Meeting.

PUBLIC COMMENT: Residents concern of when the ditches will be cut. The May minutes portrayed Amy Bazile's request incorrectly, she was asked by Margie to submit the bill they received for the steaming of the culvert. The minutes stated that Amy submitted the invoice and was asking for payment.

COMPREHENSIVE PLANNING REPORT: No updates or meetings scheduled.

ASSESSOR'S REPORT: No update was received for the month.

TREASURER'S REPORT: The Treasurer reported on fees collected from person property aid, delinquent garbage payment, resident dog licenses, 2022 recycling grant award, liquor and picnic licenses payments, and monthly interest. The available balance reported was \$107,781.65. She provided the updated totals that are in the savings accounts. An addition was made in the claims to adjust Harter's balance as the books and bank have not been balancing in the previous months. A suggestion was made to remove our account from automatic withdrawals from Harter's.

CLERK'S REPORT: Clerk Jashinsky reported on land use permits received, ordering a fire number for a property on G, paying the annual fee for the website, and attending the WTA Quarterly meeting. She sent a letter to Diane Paulson and spoke with her about the reimbursed check for 2019 and 2020 garbage once she understood why she received the check she was thankful. Clerk Jashinsky had a Recycling Unit evaluation call with the DNR, our account was flagged for low tonnage reported in 2018 and 2020. After looking into it she realized the tons were incorrectly provided from Harter's and were submitted in our report. The DNR also recommended looking at our Compliance Assurance Plan and Recycling Unit Ordinance in a few years as they will be 10 years old in 2024. Clerk Jashinsky also has an extra set of garbage cans at her house.

LOT SUBDIVISION: A resident is requesting a parcel of property to be split. The zoning is not changing. The land survey was completed by Kyle Fischer. Chair Brady approved and signed the request.

REIMBURSEMENT OF CULVERT STEAMING:

As stated previously Amy was concerned that the previous months minutes portrayed her request incorrectly. A culvert on Bazile Lane was frozen, the water was going across the ditch and eroding the ditch line. Amy had talked with Margie multiple times and Burt once. Nothing was

completed, Amy called the county asking for the culvert to be steamed. Rich spoke with Carol at the WTA and the culverts are the Towns responsibility, but if the Town pays the invoice we are setting a precedent by allowing residents to do things on their own and then asking the town for reimbursement. Margie had talked with the county and asked them to look at the culvert to prevent this from happening again. The county can not work on it because there are navigable waters running through it. An engineer would need to be hired.

MINUTES REQUEST: A resident was asking for a copy of the unapproved previous month's minutes. Clerk Jashinsky contacted the WTA, a copy of the minutes can be shared with "draft" written on it. They were sent to the resident.

ROAD REPORT: Rich called a crack sealing company, they are already booked for the year and requested us to continue with our current provided. Waupaca county does crack sealing. Looking at Hunting, Polk, Moericke, Boelter, and Seefeldt.

CHAIRMAN'S REPORT: Chairman Brady reported on calling the county about crack sealing. Dean Opperman contacted him about a sunken culvert on Hunting Road which will need to be replaced. Dean Opperman asked for the tractor to be set up for the trimming of the ditches, Burt contacted Swiderski's. Dean would like someone to help with mowing the ditches.

SUPERVISOR'S REPORT: Supervisor Schmidt reported that she will take the extra set of garbage cans over to Nick Brehms. She also requested an up-to-date list of what we have spent on road maintenance through the county this year. She also asked in Tony Tagliapietra had a building permit, none was found. Supervisor Mueller reported on report of a stray cow on Spaulding and E, it was returned home.
